Meta Ads Results

The image displays three digital marketing platforms integrated into a single interface:

- Google Analytics:** Shows a "Traffic acquisition: Session primary channel group (Default channel group)" report for the period from 1 Jan to 30 Apr 2025. The chart tracks sessions over time, with a legend indicating Organic Search (blue), Direct (light blue), Referral (purple), Organic Social (dark blue), and Unassigned (pink). Below the chart is a table comparing traffic sources across various metrics like Sessions, Engaged sessions, Engagement rate, etc.
- Google Search Console:** Shows the "Performance" report for the URL <https://scaleleadershipschool.org/>. It highlights key metrics: Total clicks (1.69K), Total impressions (32.6K), and Average CTR (5.2%). The interface also includes sections for Overview, URL Inspection, Indexing, Pages, Videos, Sitemaps, Removals, Experience, Core web vitals, HTTPS, Enhancements, and Breadcrumbs.
- Facebook Ads Manager:** Shows the "Campaigns" section for a campaign named "FM USA in USD#2 (98193...)" with an opportunity score of 92. The table lists various campaigns with their status (Off/On), name, amount spent, purchases, purchase conversion value, ROAS, results, and reach. The total spent is \$8,763.90, with 372 total purchases and an average ROAS of 3.26.
